

## **Aria Restaurant and Lounge has opened!**

We welcome you to stop in and take a look and meet our friendly staff. Many of the elements of The Bistro will be familiar, such as world class cuisine, the piano bar, fireplace, intimate dining, Private dining room for 12, and elegant service. The over all package has been enhanced with such additions as a 16 bottle cruvette, 1,800 bottle capacity wine closet, long draw draft beer, 6 T.V.s, large leather seats and booths, player piano, billiards, darts, karaoke, and a lounge menu offered until 12:30 nightly.

With etched glass partitions, the dining room retains its ambiance and charm with little or no effect from the lounge area. The contemporary settings and food preparations are complimented with elegant and warm service by a knowledgeable and experienced staff. Chef Nick's menu is contemporary American with Mediterranean influences. He offers the classics (French Onion Soup, Gazpacho) as well as his signature dishes (Eggplant and Zucchini Soufflé, Wild Salmon with a Curry Sabayon) to create a well balance menu. Dinner is offered nightly from 5:00 to 10:00.

**Century Center residents may enjoy a neighborly discount of 10% off of the food portion of your bill for up to 6 persons (some restrictions may apply).**

We look forward to meeting you.
